

Model Development Technical Discussion Agenda:

Vessel Movement Module and Movements Associated With Other Vessels October 29, 2020

1. Introduction (1:00 pm)
 - a. Welcome
 - b. Meeting scope
 - c. Discussion logistics

2. Discussion of vessel movements associated with other vessels (1:05 pm)
 - a. Are there other vessel types besides those listed that regularly operate based on the presence or movements of other vessels?
 - b. For each of the listed vessel types, where do they operate, and where are they homeported?

3. Strategies for modeling these movements (2:00 pm)
 - a. What strategies would you suggest for identifying the operational areas and homeports of the vessel types listed?

4. Wrap up and final thoughts (2:55 pm)
